Dragon's Egg

Sarah L. Thomson

Dragon's Egg Sarah L. Thomson

It is a rare talent, and only she can care for the Inn's herd. She feeds them, gathers their eggs, and tends to their injuries. But Mella dreams about the dragons of legend, even though hardly anyone believes they still exist. Dragons are small farm animals, not huge fire-breathing monsters. Everyone knows that.

Until one day changes everything.

A Knight of the Order of Defenders arrives at the Inn. Signs of the mythical dragons have led him there, he says. Then a simple errand takes Mella through the forest, where she stumbles across a dragon's egg—and faces the true, terrifying dragon guarding it. On the spot, Mella vows to get the egg safely to the fabled Hatching Grounds. She must leave her home for the first time, and she finds an unlikely companion in the Defender's squire, Roger.

For Mella and Roger, this one day is the beginning of an adventure. Where will it take them?

From reader reviews:

Linda Long:

Nowadays reading books become more than want or need but also get a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of book you read, if you want send more knowledge just go with training books but if you want experience happy read one with theme for entertaining for example comic or novel. Typically the Dragon's Egg is kind of reserve which is giving the reader unstable experience.

Ann Foley:

Reading a e-book tends to be new life style with this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Together with book everyone in this world can share their idea. Books can also inspire a lot of people. Lots of author can inspire all their reader with their story as well as their experience. Not only the story that share in the textbooks. But also they write about the knowledge about something that you need case in point. How to get the good score toefl, or how to teach your young ones, there are many kinds of book which exist now. The authors in this world always try to improve their skill in writing, they also doing some analysis before they write with their book. One of them is this Dragon's Egg.

Maria Mariani:

In this era which is the greater individual or who has ability in doing something more are more precious than other. Do you want to become considered one of it? It is just simple strategy to have that. What you should do is just spending your time not very much but quite enough to enjoy a look at some books. One of several books in the top record in your reading list will be Dragon's Egg. This book that is certainly qualified as The Hungry Slopes can get you closer in getting precious person. By looking up and review this book you can get many advantages.

Kim Nielsen:

What is your hobby? Have you heard that will question when you got college students? We believe that that question was given by teacher with their students. Many kinds of hobby, All people has different hobby. And also you know that little person like reading or as reading through become their hobby. You must know that reading is very important and also book as to be the issue. Book is important thing to provide you knowledge, except your personal teacher or lecturer. You see good news or update with regards to something by book. Numerous books that can you go onto be your object. One of them is this Dragon's Egg.
