Fair Play (New York Review Books Classics)

Tove Jansson

Fair Play (New York Review Books Classics) Tove Jansson

Fair Play is the type of love story that is rarely told, a revelatory depiction of contentment, hard-won and exhilarating.

Mari is a writer and Jonna is an artist, and they live at opposite ends of a big apartment building, their studios connected by a long attic passageway. They have argued, worked, and laughed together for decades. Yet they've never really stopped taking each other by surprise. *Fair Play* shows us Mari and Jona's intertwined lives as they watch Fassbinder films and Westerns, critique each other's work, spend time on a solitary island (recognizable to readers of Jansson's *The Summer Book*), travel through the American Southwest, and turn life into nothing less than art.
