The best way for private pilots with limited means to obtain the plane of their dreams is to purchase a used one -- and there's no better way to buy one without getting burned than this heavily illustrated guide. Focusing on airplanes priced at \$100,000 or less, the author walks readers through the entire process of purchasing a used plane: prospecting the market, determining a plane's true value, closing the deal, partnership, and much more.

- Audience includes the more than 700,000 private pilots in the U.S.
- New chapters on Sport Pilot Licenses and Light-Sport Aircraft
- All models and prices updated
- New airworthiness directives (ADs) and all new regulations
