Mission Critical Windows 2000 Server Administration (Mission Critical Series) Syngress
Announcing the "Mission Critical" series from Syngress Media - providing crucial coverage of the topics necessary for IT professionals to perform and succeed on the job.
Mission Critical Windows 2000 Server Administration cuts to the chase and provides system administrators with the most important features of the operating system. There's no "hand-holding", no basic definitions of functions, no step-by-step guidelines - just high-level coverage of the critical components of Windows 2000 that system administrators must know.

* Hot topic - since the launch of Windows 2000 in February - there is an increased demand for a high-level book
* Comes with free membership to Solutions@Syngress.com, which provides readers with regular updates, articles, white papers, and bug alerts
* Offers high-level coverage of the following topics: Active Directory, remote installation and deployment, security, network services, Microsoft Management Console and administration

From reader reviews:

Deborah Tate:

A lot of people always spent all their free time to vacation or go to the outside with them family or their friend. Did you know? Many a lot of people spent they will free time just watching TV, or even playing video games all day long. If you need to try to find a new activity here is look different you can read a book. It is really fun to suit your needs. If you enjoy the book that you just read you can spent the entire day to reading a e-book. The book Mission Critical Windows 2000 Server Administration (Mission Critical Series) it is quite good to read. There are a lot of people who recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to create this book you can buy often the e-book. You can m0ore very easily to read this book from your smart phone. The price is not too costly but this book features high quality.

Agnes Shivers:

Playing with family within a park, coming to see the ocean world or hanging out with friends is thing that usually you may have done when you have spare time, then why you don't try point that really opposite from that. A single activity that make you not feeling tired but still relaxing, trilling like on roller coaster you have been ride on and with addition associated with. Even you love Mission Critical Windows 2000 Server Administration (Mission Critical Series), it is possible to enjoy both. It is great combination right, you still desire to miss it? What kind of hang-out type is it? Oh can happen its mind hangout fellas. What? Still don't get it, oh come on its known as reading friends.

Don Morris:

Is it you actually who having spare time in that case spend it whole day by simply watching television programs or just lying on the bed? Do you need something totally new? This Mission Critical Windows 2000 Server Administration (Mission Critical Series) can be the response, oh how comes? A book you know. You are therefore out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these guides have than the others?

Suzanne Robbins:

A lot of book has printed but it is different. You can get it by web on social media. You can choose the top book for you, science, comedy, novel, or whatever by searching from it. It is identified as of book Mission Critical Windows 2000 Server Administration (Mission Critical Series). You can contribute your knowledge by it. Without leaving behind the printed book, it may add your knowledge and make an individual happier to read. It is most essential that, you must aware about book. It can bring you from one destination for a other place.
