The Cow Went Over the Mountain (Little Golden Book) Jeanette Krinsley

Little Cow thinks life will be better on the "other mountain," and convinces a few animals that the grass will be munchier, the bugs crunchier, the water sploshier, the mud sloshier . . . but when they get there, they find that the grass isn't really greener on the other side. This simple, witty tale, brought to life by Caldecott medalist Feodor Rojankovsky, was originally published in 1963 and is now back in print as a Little Golden Book Classic.
