## **The Search for Fierra (Empyrion, Book 1)** Stephen R. Lawhead

Orion Treet, an itinerant and often-unemployed writer, is abducted at gunpoint. Then he is offered eight million dollars and the adventure of a lifetime. The mission? To observe and chronicle the growth of a new extraterrestrial colony: Empyrion. Arriving on the planet Fierra, Treet discovers a civilization in decline, fragmented by millennia of mistrust and hatred. To survive, he and his odd assortment of companions must unscramble the mysteries around them . . . before time runs out for the settlement. The Empyrion novels are among Lawhead's most captivating accomplishments of storytelling and adventure -- the best there is in science fiction. The Search for Fierra won the Campus Life Editor's Choice Award. Look for Empyrion II: The Siege of Dome, at your local bookstore.
