Architectural Inspiration: Styles, Details and Sources Richard Skinulis, Peter Christopher

The perfect what-to, how-to and where-to guidebook and reference for inspired homeowners, house renovators, interior designers and residential architects.

This exceptional style and source guide is the first book to examine residential architecture and design elements from both creative and practical perspectives. It is also the first to include extensive North American sources for high-end, custom and hard-to-find materials and services.

Combining original photography of 70 superb homes with hundreds of hand-picked product shots, this stunning compendium is a superb resource and reference book for homeowners and professionals alike.

Architectural Inspiration features the innovative ideas, inspiration and practical advice of renowned North American designers and architects. It also provides access to many of the same sources they turn to in residential home design and detailing.

From the *Table of Contents*:

Part One: Styles

Exteriors: North American Styles

- The evolution of residential styles in North America, from Colonial days to the present.

Interiors: Living Spaces

- Great rooms, living rooms, dining rooms, bedrooms, kitchens, bathrooms, hallways, staircases, converted lofts, reconstructed barns and more.

Part Two: Details

Exterior Details

Doors and Windows

Floors, Walls and Ceilings

Architectural Details

Light and Heat

Kitchen Fittings

Bathroom Fixtures

Hardware

Part Three: Sources

- Contact information for major North American manufacturers, suppliers and distributors of high-end, hard-to-find residential building materials and accoutrements.

From reader reviews:

Angela Jones:

Exactly why? Because this Architectural Inspiration: Styles, Details and Sources is an unordinary book that the inside of the book waiting for you to snap that but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who write the book in such amazing way makes the content interior easier to understand, entertaining technique but still convey the meaning fully. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This book will give you a lot of positive aspects than the other book possess such as help improving your skill and your critical thinking method. So , still want to delay having that book? If I were you I will go to the publication store hurriedly.

Janice Oconnell:

Are you kind of stressful person, only have 10 or even 15 minute in your moment to upgrading your mind talent or thinking skill actually analytical thinking? Then you are experiencing problem with the book than can satisfy your short period of time to read it because this all time you only find publication that need more time to be go through. Architectural Inspiration: Styles, Details and Sources can be your answer since it can be read by you actually who have those short time problems.

Kathryn Mullins:

On this era which is the greater person or who has ability in doing something more are more treasured than other. Do you want to become certainly one of it? It is just simple approach to have that. What you must do is just spending your time very little but quite enough to experience a look at some books. One of the books in the top list in your reading list is Architectural Inspiration: Styles, Details and Sources. This book that is qualified as The Hungry Mountains can get you closer in turning out to be precious person. By looking way up and review this e-book you can get many advantages.

Quentin Taylor:

What is your hobby? Have you heard which question when you got pupils? We believe that that issue was given by teacher on their students. Many kinds of hobby, All people has different hobby. So you know that little person such as reading or as studying become their hobby. You need to know that reading is very important and book as to be the factor. Book is important thing to add you knowledge, except your own teacher or lecturer. You get good news or update about something by book. Different categories of books that can you go onto be your object. One of them is niagra Architectural Inspiration: Styles, Details and Sources.
