## **Il mondo parallelo e il potere dell'amore (Italian Edition)** Lucia Santucci

Raccolte di brevi racconti legati dal concetto di improvvisazione. Le storie sono il racconto di un sogno ad occhi aperti che l'autore compie di fronte ad un accadimento, un disegno, un breve scambio di battute, un suono particolare, una fragranza non comune. Ogni storia ha dietro una sua storia... quella della sua creazione, dei momenti irripetibili che hanno prodotto il contesto, la trama e il finale, o i molteplici finali. Una storia nella storia, una vicenda che ne racchiude un'altra.

Un modo per divertirsi a ridisegnare la realtà e gli oggetti comuni che ci accompagnano tutti i giorni, dando loro una nuova vita immaginaria e magari una speranza.

Tutto ad un tratto come in una folgorazione si compone il puzzle narrativo e lo si vive fino in fondo, intensamente, nella sua folle composizione.
