Money. That's what Melonhead and his best friend, Sam, need. Due to a “situation,” the boys have to pay for something they accidentally ruined. Neither of them receives an allowance, so they create the We-Fix-It Company. When jobs start pouring in, the boys feel like they have all the answers. But they soon run into a problem too big for just the two of them to handle. Luckily, their friends offer to help. With teamwork and the courage to dream big, the kids surprise even themselves and deliver amazing results.
