No Mission Is Impossible: The Death-Defying Missions of the Israeli Special Forces Michael Bar-Zohar, Nissim Mishal

[Translated by Michael Bar-Zohar and Nathan K. Burstein]

[Read by Assaf Cohen]

A riveting follow-up to Michael Bar-Zohar and Nissim Mishal's account of the most memorable missions of the Mossad, *No Mission is Impossible* sheds light on some of the most harrowing, nail-biting operations of the Israeli special forces

Mossad: The Greatest Missions of the Israeli Secret Service brought to life the gripping, legendary missions of Israeli's national intelligence force like never before, capturing the danger of the operations and the bravery of the operatives who risked everything to complete their assignments.

Now, in *No Mission Is Impossible*, Michael Bar-Zohar and Nissim Mishal return with the intensely absorbing, fast-paced story of thirty of the boldest missions of the Israeli special forces. Bar-Zohar and Mishal depict in electrifying detail major battles, raids in enemy territory, and death-defying commando missions while also sharing the personal stories of both soldiers and top commanders, revealing their hopes and fears. The stories are often of victories, but sometimes they're of immense failures. They run side-by-side with the accounts of the lives and accomplishments of some of Israel's most prominent figures, including Moshe Dayan, Ariel Sharon, the brothers Netanyahu, Ehud Barak, and Avigdor Kahalani. We follow Sharon, from his near death at the battle of Latrun in 1948 to his crossing of Suez in 1973; we are with Ehud Barak, dressed in women's clothes, when he commands a daring raid in Beirut in 1973, and then when he is elected prime minister in 1999. Besides recounting these mesmerizing, high-stakes missions, *No Mission Is Impossible* includes an interview in each chapter with a major figure who took part in the mission discussed, including some of the most prominent players in Israeli politics.

Captivating and eye-opening, *No Mission Is Impossible* is essential listening for anyone interested in understanding how these crucial missions shaped Israel and the world at large.
