# Selected Letters

*Guy Davenport, James Laughlin*

**Selected Letters** Guy Davenport, James Laughlin

**An epistolary exchange that highlights two singular intellects, their disparate approaches to literature and their mutual admiration.**

This volume features selections from the New Directions founder's correspondence with Guy Davenport, the polymath artist and author of *The Geography of the Imagination*. More than simply detailing an author/publisher relationship, these letters depict two fine minds educating and supporting each other in the service of literature.
