Readers can enhance every room in their home with the twenty-six practical and beautiful storage projects they will find in *Cabinets & Built-Ins*. They will find space-saving ideas, such as shelves to mount to the inside of the kitchen cabinet doors, and ambitious projects, such as the entertainment center. Yet no matter how large the project, none are difficult. All of the projects have been designed with simple, sturdy joinery that can be easily accomplished in a home workshop. *Cabinets & Built-Ins* opens with a thoroughly illustrated techniques chapter that explains every method needed to construct all the projects. Renowned wood-finishing expert Bob Flexner teaches how to keep projects looking great for generations to come.
