Christ's Churches Purely Reformed: A Social History of Calvinism

Philip Benedict

Christ's Churches Purely Reformed: A Social History of Calvinism Philip Benedict

This sweeping book tells the story of Calvinism's origins, expansion, and impact across Europe from the upheavals of the early Reformation to the end of the seventeenth century. The faith's fundamental doctrines, diverse ecclesiastical institutions, and significant consequences for lived experience are all explored, revealing the ongoing interplay between a dynamic religious tradition and the worlds in which it took root.

"This is a rare and great achievement: a broad survey . . . that is at once a gripping narrative and a fresh interpretation of the subject, as masterful with the small details as with the big picture." —Carlos Eire, Yale University
