## **The Empire of Austria, Its Rise and Present Power** John Abbott

Pyrrhus Press specializes in bringing books long out of date back to life, allowing today's readers access to yesterday's treasures.

Abbott was a well-known historian in the mid-19th century, and he tackled the powerful Austrian Empire in this comprehensive work. This contemporary account helps readers understand just how influential the Austrians were until the demise of their empire in the wake of World War I.

From the intro:

"The studies of the author of this work, for the last ten years, in writing the "History of Napoleon Bonaparte," and "The French Revolution of 1789," have necessarily made him quite familiar with the monarchies of Europe. He has met with so much that was strange and romantic in their career, that he has been interested to undertake, as it were, a biography of the Monarchies of Continental Europe—their birth, education, exploits, progress and present condition. He has commenced with Austria.

There are abundant materials for this work. The Life of Austria embraces all that is wild and wonderful in history; her early struggles for aggrandizement—the fierce strife with the Turks, as wave after wave of Moslem invasion rolled up the Danube—the long conflicts and bloody persecutions of the Reformation—the thirty years' religious war—the meteoric career of Gustavus Adolphus and Charles XII. shooting athwart the lurid storms of battle—the intrigues of Popes—the enormous pride, power and encroachments of Louis XIV.—the warfare of the Spanish succession and the Polish dismemberment—all these events combine in a sublime tragedy which fiction may in vain attempt to parallel."

### From reader reviews:

#### **Bobby Griffin:**

Nowadays reading books become more than want or need but also become a life style. This reading practice give you lot of advantages. The advantages you got of course the knowledge the particular information inside the book this improve your knowledge and information. The data you get based on what kind of guide you read, if you want have more knowledge just go with training books but if you want feel happy read one along with theme for entertaining like comic or novel. The The Empire of Austria, Its Rise and Present Power is kind of e-book which is giving the reader unstable experience.

#### **Richard Sims:**

Reading a reserve tends to be new life style in this particular era globalization. With reading through you can get a lot of information that can give you benefit in your life. With book everyone in this world can easily share their idea. Ebooks can also inspire a lot of people. Many author can inspire their very own reader with their story or even their experience. Not only the storyplot that share in the books. But also they write about advantage about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book which exist now. The authors these days always try to improve their expertise in writing, they also doing some study before they write to their book. One of them is this The Empire of Austria, Its Rise and Present Power.

#### **Jane Abraham:**

The reason why? Because this The Empire of Austria, Its Rise and Present Power is an unordinary book that the inside of the reserve waiting for you to snap the item but latter it will distress you with the secret the item inside. Reading this book close to it was fantastic author who also write the book in such amazing way makes the content inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you because of not hesitating having this anymore or you going to regret it. This excellent book will give you a lot of benefits than the other book get such as help improving your proficiency and your critical thinking way. So , still want to postpone having that book? If I were you I will go to the reserve store hurriedly.

#### **Ruth Snider:**

A number of people said that they feel fed up when they reading a publication. They are directly felt the idea when they get a half areas of the book. You can choose typically the book The Empire of Austria, Its Rise and Present Power to make your current reading is interesting. Your own skill of reading expertise is developing when you just like reading. Try to choose easy book to make you enjoy to see it and mingle the idea about book and looking at especially. It is to be first opinion for you to like to open a book and read it. Beside that the e-book The Empire of Austria, Its Rise and Present Power can to be a newly purchased friend when you're feel alone and confuse in doing what must you're doing of these time.
