The Violence of God and the War on Terror

Jeremy Young

The Violence of God and the War on Terror Jeremy Young

Using the analogy of an abusive human relationship, Young traces the influence of the psychology of such behavior on the major monotheistic religions' concept of God and concludes that such imagery generates violence in the name of God in the contemporary world, including in "the war on terror." Explores these theological themes in terms of U.S. imperialistic policies, the Israeli/Palestinian conflict, and Jihadist ideology.
