Wiley GAAP for Governments 2009: Interpretation and Application of Generally Accepted Accounting Principles for State and Local Governments (Wiley ... of GAAP for State & Local Governments) Warren Ruppel

Governmental GAAP (Generally Accepted Accounting Principles) consists of all the promulgated accounting principles applicable to financial accounting and reporting for state and local governments. To understand the complexity of the Government Accounting Standards Board (GASB) statements, interpretations, technical bulletins, and certain AICPA statements of position, these pronouncements must be analyzed and explained in straightforward language. This title will serve as a comprehensive, practical research tool for use by governments and their auditors to guide them through governmental accounting and financial reporting.
