From *apple* to *zigzag* and from *1* to *10*, Neepin Auger's books for children will be certain to educate and entertain preschoolers, parents and teachers alike. Inspired by her training as a First Nations artist and her academic work leading to a degree in education, *Discovering Words* and *Discovering Numbers* contain brightly coloured, originally created artwork featuring images and concepts familiar to everyone.

In addition to the English words presented, the books also contain the French and Cree equivalents, placing these among some of the most dynamic and useful board books on the market, perfectly suitable for the classroom, library and nursery.
