Horror: Lo Mejor Del Terror Contemporaneo/the Dodd, Mead Gallery of Horror (Spanish Edition)

"Predeterminado Colección Horror de Martínez Roca y Gran Super Terror Hola, voy a hablaros un poco de la colección de libros horror, que editó Martínez Roca en los 90. Son diferentes antologías (muchos autores repiten) con mayor o menor suerte (voy por el quinto, y junto con el segundo, es de los mejores) plagadas de escritores famosos y otros no tanto (Matheson, King, Barker, Greg Bear, etc) En total son 7 libros los dos últimos bastante difíciles de conseguir, pero si se hace un seguimiento exhaustivo o se busca en rastros podrían conseguirse. A mí me costó un par de años de búsqueda encontrar la colección completa, y puedo decir que merece la pena totalmente. Decenas de relatos, algunos buenos, algunos malos, con espíritus, monstruos, camas asesinas, maníacos, etc... todo un disfrute para los aficionados al terror y yo creo que de lectura obligada. El primero es una selección de Charles L. Grant. El segundo es una selección de los mejores relatos aparecidos en la revista Twilight Zone. En el tercero Ramsey Campbell selecciona sus relatos preferidos. El cuarto es una selección de Dennis Etchinson. Los mejores relatos aparecidos en "The Magazine of Fantasy & Science Fiction" conforman el quinto volumen. El sexto volumen está dedicado a los mejores relatos aparecidos en la revista Fantasy Annual. El séptimo es una selección de J.N. Williamson. Están englobados dentro de la colección Gran Superterror, tengo alguno más pero he preferido centrarme en estos porque merecen la pena muy mucho. Espero que alguien más haya leído alguno y podamos comentar... y también espero poner más información de algunos que me faltan de esta magnífica colección de Gran Super Terror" Tomado de AbandoMoviez sitio No. 1 de Ciencia Ficción y Terror
