## **Mega Man 4: Spiritus Ex Machina** Ian Flynn

MEGA MAN is the hit new action-adventure series from Archie Comics! Having sent the evil Dr. Wily scrambling yet again, Mega Man joins Dr. Light and others for an advanced robotics convention. Up for debate: in the development of future robots, should human-like artificial intelligence be pursued or prevented? The event is interrupted when a human extremist group takes over, with the intent of destroying the robots present. It's up to Mega Man and his new canine-robot companion, Rush, to save the day! Meanwhile, the fugitive Dr. Wily discovers an ancient, evil, alien intelligence just waiting to be awakened... and also encounters Dr. Light's estranged first Robot Master. MEGA MAN VOL. 4 collects issues #13-16 of the Mega Man comic book series. From the Trade Paperback edition.
