## **Pet Loss Meditations** Lorise Weil

This book was written with deep compassion. It is filled with sincere meditative thoughts and feelings surrounding the loss of a pet. Its inspiring messages allow us to reflect on those gifts we received through the special relationship we had with our pet. In addition to all that we should feel worthy about as our pet's caregiver, the intent of this book is to help comfort you, as well as optimistically enable you to better cope with this very painful and traumatic loss. Although so much is lost with the death of our beloved companions, what remains can never be taken from us; all the love they have shown us, and the precious memories they have left us with, forever become a part of us.
