Roxana Daniel Defoe

When left penniless by her faithless husband, Roxana, in order to provide for herself and her five children, reluctantly becomes the mistress of her landlord, who has been abandoned by his wife. Despite the circumstances of their arrangement, the landlord proves to be a good and faithful man, providing Roxana with a regular income and bequeathing to her, upon his death, part of his fortune.

But when her lover is brutally murdered, Roxana is left to once again fend for herself, and uses her feminine charms to accumulate the wealth and security she so desperately craves.
