## **Super-Dragon** Steven Kroll

Great balls of fire! Drago wants to be in the flying contest. But he hasn't learned to fly yet, and his family says he's too little to learn. That doesn't stop Drago! When his family's asleep, he tries and tries, but SPLAT... he fails. Then he asks a bird to help him, and they practice, practice, practice. Comic book-style illustrations rendered in pencil, ink, and Photoshop bring Drago to life and show that being little can't stop big dreams.

### From reader reviews:

#### **Richard Ybarra:**

As people who live in the particular modest era should be revise about what going on or information even knowledge to make these people keep up with the era that is certainly always change and progress. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to anyone is you don't know which one you should start with. This Super-Dragon is our recommendation so you keep up with the world. Why, since this book serves what you want and wish in this era.

#### **Randall Barbee:**

Information is provisions for those to get better life, information presently can get by anyone on everywhere. The information can be a know-how or any news even an issue. What people must be consider whenever those information which is in the former life are challenging be find than now could be taking seriously which one is acceptable to believe or which one the actual resource are convinced. If you receive the unstable resource then you get it as your main information it will have huge disadvantage for you. All those possibilities will not happen with you if you take Super-Dragon as the daily resource information.

#### **Eric Hempel:**

A lot of people always spent their own free time to vacation as well as go to the outside with them family members or their friend. Do you realize?
