The Accidental Bestseller Wendy Wax

From the *USA Today* bestselling author of *While We Were Watching Downton Abbey...*

Once upon a time four aspiring authors met at their very first writers' conference. Ten years later they're still friends, survivors of the ultra-competitive New York publishing world. Mallory St. James is a workaholic whose bestsellers support a lavish lifestyle. Tanya Mason is a single mother juggling two jobs, two kids, and too many deadlines. Faye Truett is the wife of a famous televangelist and the author of inspirational romances: no one would ever guess her explosive secret. Kendall Aims's once-promising career is on the skids-and so is her marriage. Her sales are dismal, her new editor detests her work-and her husband is cheating. Barely able to think, let alone meet her final deadline, Kendall holes up in a mountain cabin to confront a blank page and a blanker future. But her friends won't let her face this trial alone. Together they collaborate on a novel using their own lives as fodder, assuming no one will ever discover the truth behind their words.

No one is more surprised than they are when the book becomes a runaway bestseller. But with success comes scrutiny and scandal...as these four best friends suddenly realize how little they've truly known each other.
