The Bible and Empire: Postcolonial Explorations

R. S. Sugirtharajah

The Bible and Empire: Postcolonial Explorations R. S. Sugirtharajah

At a time of renewed interest in Empire, this stimulating volume explores the complex relationship between the Bible and the colonial enterprise, and examines some overlooked aspects of this relationship. These include unconventional retellings of the gospel story of Jesus by Thomas Jefferson and Raja Rammohun Roy; the fate of biblical texts when marshalled by Victorian preachers to strengthen British imperial intentions after the India uprising of 1857; the cultural-political use of the Christian Old Testament, first by the invaders to attack temple practices and rituals, then by the invaded to endorse the temple heritage scorned by missionaries; the dissident hermeneutics of James Long and William Colenso confronting and compromising with colonial ambitions; and finally the subtly seditious deployment of biblical citations in two colonial novels. This innovative book offers both practical and theoretical insights and provides compelling evidence of the continuing importance of postcolonial discourse for biblical studies.

From reader reviews:

David Butler:

What do you think of book? It is just for students because they are still students or this for all people in the world, what best subject for that? Just you can be answered for that problem above. Every person has different personality and hobby for every single other. Don't to be compelled someone or something that they don't wish do that. You must know how great and important the book The Bible and Empire: Postcolonial Explorations. All type of book are you able to see on many resources. You can look for the internet sources or other social media.

Ila Petty:

As people who live in typically the modest era should be up-date about what going on or data even knowledge to make these individuals keep up with the era which can be always change and progress. Some of you maybe may update themselves by studying books. It is a good choice in your case but the problems coming to you is you don't know which you should start with. This The Bible and Empire: Postcolonial Explorations is our recommendation to help you keep up with the world. Why, since this book serves what you want and want in this era.

Charles Simpson:

Your reading sixth sense will not betray you actually, why because this The Bible and Empire: Postcolonial Explorations book written by well-known writer whose to say well how to make book that could be understand by anyone who all read the book. Written within good manner for you, leaking every ideas and publishing skill only for eliminate your hunger then you still doubt The Bible and Empire: Postcolonial Explorations as good book not merely by the cover but also with the content. This is one publication that can break don't ascertain book by its handle, so do you still needing another sixth sense to pick this kind of!? Oh come on your looking at sixth sense already told you so why you have to listening to yet another sixth sense.

Floyd Brown:

As a scholar exactly feel bored for you to reading. If their teacher questioned them to go to the library or to make summary for some reserve, they are complained. Just very little students that has reading's spirit or real their interest. They just do what the instructor want, like asked to the library. They go to at this time there but nothing reading critically. Any students feel that looking at is not important, boring along with can't see colorful photographs on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this The Bible and Empire: Postcolonial Explorations can make you really feel more interested to read.
