A True and Exact History of the Island of Barbados (Hackett Classics)

Richard Ligon, Karen Ordahl Kupperman

A True and Exact History of the Island of Barbados (Hackett Classics) Richard Ligon, Karen Ordahl Kupperman

"Ligon's *True and Exact History of the Island of Barbados* is the most significant book-length English text written about the Caribbean in the seventeenth century. [It] allows one to see the contested process behind the making of the Caribbean sugar/African slavery complex.

Kupperman is one of the leading scholars of the early modern Atlantic world. . . . I cannot think of any scholar better prepared to write an Introduction that places Ligon, his text, and Barbados in an Atlantic historical context.

The Introduction is quite thorough, readable, and accurate; the notes [are] exemplary!"
-Susan Parrish, *University of Michigan*

"A foundational text for the history and literature of the early Caribbean and the early Americas. Kupperman's expert Introduction and annotations . . . make this important text come alive for scholarly and undergraduate audiences alike. In all aspects, this edition is a model of historical and textual scholarship."
-Ralph Robert Bauer, *University of Maryland*

"Scholars, students, and general readers will applaud and greatly appreciate the context Kupperman provides in her highly informative, insightful Introduction and notes. This volume offers readers the opportunity to explore Ligon's world and times, when sugar and black slavery were dramatically and aggressively transforming Caribbean society and contributing to English economic, maritime, and imperial strength."
-David Barry Gaspar, *Duke University*

Mary Peterson:

As a scholar exactly feel bored to reading. If their teacher inquired them to go to the library or to make summary for some guide, they are complained. Just tiny students that has reading's heart or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading seriously. Any students feel that studying is not important, boring in addition to can't see colorful pictures on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this era, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore this A True and Exact History of the Island of Barbados (Hackett Classics) can make you really feel more interested to read.

Mildred Kershner:

What is your hobby? Have you heard this question when you got learners? We believe that that query was given by teacher to the students. Many kinds of hobby, Everyone has different hobby. So you know that little person similar to reading or as studying become their hobby. You have to know that reading is very important as well as book as to be the point. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update with regards to something by book. A substantial number of sorts of books that can you decide to try be your object. One of them is niagra A True and Exact History of the Island of Barbados (Hackett Classics).
