Issues That Matter: America's Moral Battleground Rob Hood

There is a growing culture war in today's society. On one side, people believe in abortion as the right to choose, that the universe is here by accident, and that homosexuality is okay. They believe that Jesus was only a prophet or a good man, but on the other side, the direct opposite beliefs are being made known. In this book, the Mississippi author gives a traditional biblical point of view into what is wrong with the most fought about controversial moral and social issues facing America today.
