Operation Iceberg: The Invasion and Conquest of Okinawa in World War II

Gerald Astor

Operation Iceberg: The Invasion and Conquest of Okinawa in World War II Gerald Astor
Gerald Astor, author of *THE MIGHTY EIGHTH*, draws on the raw, first-hand accounts of marines, sailors, soldiers, and airmen under fire to recount the dramatic and gripping story of the last major battle of World War II.

On the sea the Japanese rained down a deadly hail of kamikazes. On land the entrenched defenders had nowhere to retreat, and the US Army and Marines had nowhere to go but onward, into the thick of some of the of the most bloody close-quarters fighting in World War II.

This was Okinawa, the savage pitched battle waged just months before the US nuclear bombing of Hiroshima. Operation Iceberg, as it was known, saw the fiercest attack of kamikazes in the entire Pacific Theater of War. And here Gerald Astor lets the soldiers tell their stories firsthand: of flame-thrower attacks and hand-to-hand confrontations, of atrocities, deadly ambushes and brutal hilltop sieges that left entire companies decimated. *Operation Iceberg* is the raw, hard-edged account of war at its most brutal—and the last great battle of World War II.
