Plumage Nancy Springer

In this feminist-inspired fantasy, a rejected wife starts seeing birds everywhere, including the sleek, cobalt-blue parakeet staring back at her in the mirror

After being dumped by her husband of twenty-seven years, losing her house, and selling her jewelry at auction, Sassafras “Sassy” Hummel takes the only job she’s qualified for: maid at a luxury hotel. As if her life weren’t surreal enough, a bird poops on her head while she’s cleaning a suite. But Sassy’s sure she’s really gone off the deep end when, instead of her reflection in the mirror, a tiny blue parakeet stares back at her. Now she’s seeing birds everywhere: cranes, crows, hornbills, a quacking, green-headed duck, a quail, and something red and blue that bobs as it flies past. Sassy’s only friend is Racquel, the owner of Plumage, the hotel’s upscale boutique. Racquel isn’t the preening, froufrou, silk-and-sequins-enamored lady she seems to be. Soon Sassy and Racquel are traveling into an uncharted land where Sassy just might find out who she is and what she really wants.

Plumage is a wise, witty, and poignant novel about a woman whose life is for the birds . . . until she discovers her wings, and her world takes flight.

“Springer has redefined the concept of ‘knight in shining armor.’ With a touch of Alice Hoffmanesque magic, a colorfully painted avian world and a winning heroine, this is pure fun.” —*Publishers Weekly*

“A writer’s writer, an extraordinarily gifted craftsman.” —Jennifer Roberson

“Irresistible . . . charming, eccentric . . . thoughtful and significant.” —*Kirkus Reviews*

“Nancy Springer writes like a dream.” —*St. Louis Post-Dispatch*

From reader reviews:

Terry Kopp:

Do you have favorite book? If you have, what is your favorite's book? Publication is very important thing for us to understand everything in the world. Each publication has different aim as well as goal; it means that book has different type. Some people truly feel enjoy to spend their the perfect time to read a book. They are reading whatever they take because their hobby is usually reading a book. Think about the person who don't like looking at a book? Sometime, person feel need book if they found difficult problem as well as exercise. Well, probably you'll have this Plumage.

Alan Fan:

What do you with regards to book? It is not important to you? Or just adding material when you want something to explain what yours problem? How about your time? Or are you busy individual? If you don't have spare time to try and do others business, it is gives you the sense of being bored faster. And you have time? What did you do? Everyone has many questions above. They need to answer that question simply because just their can do that will. It said that about publication. Book is familiar in each person. Yes, it is suitable. Because start from on kindergarten until university need this kind of Plumage to read.

John Vandorn:

The e-book with title Plumage includes a lot of information that you can understand it. You can get a lot of gain after read this book. This specific book exist new expertise the information that exist in this publication represented the condition of the world at this point. That is important to yo7u to know how the improvement of the world. This specific book will bring you with new era of the the positive effect. You can read the e-book with your smart phone, so you can read it anywhere you want.

Harry Cofield:

As a student exactly feel bored to help reading. If their teacher requested them to go to the library or make summary for some publication, they are complained. Just small students that has reading's heart or real their pastime. They just do what the professor want, like asked to go to the library. They go to presently there but nothing reading seriously. Any students feel that examining is not important, boring as well as can't see colorful pictures on there. Yeah, it is for being complicated. Book is very important in your case. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Plumage can make you feel more interested to read.
