Solar Plexus: A Baku Saga in Four Parts Rustam Ibragimbekov

Spanning three generations and stretching from the 1940s to the 1990s, the four distinct parts that make up Solar Plexus intertwine to tell the tale of a group of friends who grew-up around the same courtyard in Baku. Each section is told from a different perspective as the friends' passions, deceits, rivalries and disappointments play out against the shifting turmoil of those decades: from the Great Patriotic War and Stalin's Purges, to the industrial institutes and Russification of the '50s and '60s, through to the struggle for independence and violence of the early '90s.
