Unsafe Attachments Caroline Oulton

Unsafe Attachments explores the relationships of a loosely interlinked group of Londoners. Caught off guard at key points, they face moments of sudden temptation in their busy, established lives, as well as increasingly difficult choices.

Dinah, harried and pregnant, is haunted by images of death on her way to Heathrow. Abi, a senior civil servant, embarks upon an affair with a Nigerian journalist as her teenage daughter 'kind of shags' her teacher. Alex, increasingly keen to settle down, numbly accompanies his ex-girlfriend to an abortion clinic. A glance at a party turns into a fumbling grope and then a guilty hangover for Roger, whose live-in girlfriend is smugly satisfied that her life is on course. Lonely café-owner Carey spots his married shrink passionately kissing another woman in a park while Tina's desperate wish for a child jeopardises everything that is important to her.

Relationships are acutely observed - the delights and tensions of living together, cheating on one another and trying to make lasting connections in this vast modern city. Love - real or imaginary - causes hearts to crack and lives to crumble but there is also hope, and sometimes there are second chances.

From reader reviews:

Allison Price:

The book Unsafe Attachments can give more knowledge and also the precise product information about everything you want. Why then must we leave the best thing like a book Unsafe Attachments? Several of you have a different opinion about reserve. But one aim that will book can give many information for us. It is absolutely proper. Right now, try to closer along with your book. Knowledge or details that you take for that, you are able to give for each other; you are able to share all of these. Book Unsafe Attachments has simple shape but you know: it has great and large function for you. You can look the enormous world by start and read a guide. So it is very wonderful.

Richard Cassidy:

The feeling that you get from Unsafe Attachments is the more deep you digging the information that hide in the words the more you get enthusiastic about reading it. It doesn't mean that this book is hard to know but Unsafe Attachments giving you joy feeling of reading. The author conveys their point in specific way that can be understood by means of anyone who read this because the author of this book is well-known enough. This particular book also makes your current vocabulary increase well. Therefore it is easy to understand then can go to you, both in printed or e-book style are available. We advise you for having this kind of Unsafe Attachments instantly.

Linda Gordon:

Information is provisions for anyone to get better life, information today can get by anyone in everywhere. The information can be a understanding or any news even a problem. What people must be consider if those information which is from the former life are challenging to be find than now could be taking seriously which one is suitable to believe or which one typically the resource are convinced. If you get the unstable resource then you get it as your main information there will be huge disadvantage for you. All those possibilities will not happen with you if you take Unsafe Attachments as your daily resource information.

Megan Kelly:

As we know that book is important thing to add our knowledge for everything. By a reserve we can know everything we really wish for. A book is a range of written, printed, illustrated as well as blank sheet. Every year has been exactly added. This publication Unsafe Attachments was filled about science. Spend your time to add your knowledge about your science competence. Some people has different feel when they reading some sort of book. If you know how big selling point of a book, you can truly feel enjoy to read a reserve. In the modern era like today, many ways to get book that you simply wanted.
