## **A psicologia das cores (Portuguese Edition) Eva Heller**

Nós conhecemos muito mais sentimentos do que cores. Por isso, cada cor pode produzir muitos efeitos diferentes, e às vezes contraditórios. Um mesmo tom de vermelho pode ser erótico ou chocante, inoportuno ou nobre. Um mesmo verde pode parecer saudável, venenoso ou tranquilizante. Um amarelo, radiante ou pungente... Toda cor tem seu significado. Seu efeito é determinado pelo contexto, e as pessoas que trabalham com as cores deveriam conhecer a fundo estes contextos e efeitos.

Este livro aborda a relação entre as cores e nossos sentimentos, e demonstra que não se combinam por acaso, já que as associações entre ambas não são apenas questões de gosto, mas sim experiências universais que estão profundamente enraizadas em nossa linguagem e em nosso pensamento. Organizada em treze capítulos, correspondentes a treze cores diferentes, a obra proporciona uma grande quantidade e variedade de informações sobre as cores: de ditados e saberes populares até sua utilização no design de produtos, os diversos testes baseados em cores, o processo de cura por meio delas, a manipulação de pessoas, os nomes e sobrenomes relacionados às cores, etc.

A diversidade desta abordagem faz da obra de Eva Heller uma ferramenta indispensável para artistas, terapeutas, designers gráficos e industriais, decoradores, arquitetos, designers de moda, publicitários e todas as pessoas que trabalham com as cores como ferramenta fundamental. Um livro que já se tornou um clássico.

Eva Heller (1948-2008) estudou sociologia e psicologia na Universidade Livre de Berlim. Especialista em teoria das cores, escreveu diversos livros sobre as cores e suas implicações culturais, entre eles *A psicologia das cores* (Editora Gustavo Gili, 2007), que já se tornou um clássico nesta matéria, e diversas publicações para crianças, como *Die wahre Geschichte von allen Farben* [A verdadeira história das cores] (2006), que foi selecionado para a lista de honra do Prêmio Alemão de Literatura Juvenil. Ganhou fama como autora de ficção pelo romance *Beim nächsten Mann wird alles anders* [Com o próximo homem tudo será diferente] (1987).
