Antitrust 2009-2010: Statutes, Treaties, Regulations, Guidelines and Policies John J. Flynn, Harry First, Darren Bush

This is a compilation that contains the major statutes, treaties, regulations, guidelines, and policies affecting antitrust law. It is compiled by the authors of Louis Schwartz's classic casebook, *Antitrust: Free Enterprise and Economic Organization*, Seventh Edition (2007), with its traditional approach of integrating economic theory, political concerns, and business realities in an effort to convey to students the full texture of modern antitrust enforcement and policy.
