Babylon Revisited: And Other Stories

F. Scott Fitzgerald

Babylon Revisited: And Other Stories F. Scott Fitzgerald

Written between 1920 and 1937, when F. Scott Fitzgerald was at the height of his creative powers, these ten lyric tales represent some of the author's finest fiction. In them, Fitzgerald creates vivid, timeless characters - a dissatisfied southern belle seeking adventure in the north; the tragic hero of the title story who lost more than money in the stock market; giddy and dissipated young men and women of the interwar period. From the lazy town of Tarleton, Georgia, to the glittering cosmopolitan centers of New York and Paris, Fitzgerald brings the society of the "Lost Generation" to life in these masterfully crafted gems, showcasing the many gifts of one of our most popular writers.
