Flashpoint Geoff Johns

Not a dream, not an imaginary story, not an Elseworld. This is Flash Fact: When Barry Allen wakes at his desk, he discovers the world has changed. Family is alive, loved ones are strangers, and close friends are different, gone or worse. It's a world on the brink of a cataclysmic war—but where are Earth's Greatest Heroes to stop it? It's a place where America's last hope is Cyborg, who hopes to gather the forces of the Outsiders, the Secret 7, SHAZAM!, Citizen Cold and other new and familiar yet altered faces! It's a world that could be running out of time, if The Flash can't find the villain who altered the timeline!

From reader reviews:

Morris Whitfield:

Do you have something that you prefer such as book? The publication lovers usually prefer to choose book like comic, brief story and the biggest you are novel. Now, why not hoping Flashpoint that give your enjoyment preference will be satisfied by simply reading this book. Reading routine all over the world can be said as the opportunity for people to know world much better then how they react toward the world. It can't be mentioned constantly that reading habit only for the geeky man or woman but for all of you who wants to be success person. So , for all of you who want to start examining as your good habit, you may pick Flashpoint become your current starter.

Floyd Lipp:

Beside this specific Flashpoint in your phone, it may give you a way to get nearer to the new knowledge or details. The information and the knowledge you can got here is fresh through the oven so don't be worry if you feel like an aged people live in narrow town. It is good thing to have Flashpoint because this book offers to your account readable information. Do you often have book but you rarely get what it's about. Oh come on, that will not happen if you have this in the hand. The Enjoyable option here cannot be questionable, such as treasuring beautiful island. So do you still want to miss this? Find this book and read it from today!

Deborah Martins:

This Flashpoint is new way for you who has fascination to look for some information as it relief your hunger details. Getting deeper you upon it getting knowledge more you know or else you who still having little digest in reading this Flashpoint can be the light food to suit your needs because the information inside this specific book is easy to get by simply anyone. These books produce itself in the form that is certainly reachable by anyone, that's why I mean in the e-book application form. People who think that in guide form make them feel sleepy even dizzy this book is the answer. So there is no in reading a publication especially this one. You can find what you are looking for. It should be here for you. So , don't miss this! Just read this e-book style for your better life along with knowledge.

David Betancourt:

Do you like reading a book? Confuse to looking for your preferred book? Or your book seemed to be rare? Why so many query for the book? But any kind of people feel that they enjoy with regard to reading. Some people likes reading, not only science book but additionally novel and Flashpoint or others sources were given understanding for you. After you know how the truly great a book, you feel desire to read more and more. Science guide was created for teacher or even students especially. Those textbooks are helping them to include their knowledge. In different case, beside science guide, any other book likes Flashpoint to make your spare time more colorful. Many types of book like this.
