# Granny's Chapters on scriptural subjects: The New Testament & History of the Jews

*Lady Mary Ross*

**Granny's Chapters on scriptural subjects: The New Testament & History of the Jews** Lady Mary Ross  
THE New Testament has been treated in a manner somewhat different to that adopted in regard to the Books of the Old Testament. The object has been, to sketch out the earthly Life of our Blessed Lord, and to draw attention to a few important points. It was obviously impossible to dwell particularly upon the details of every Miracle, Parable, and Conversation, recorded by the Evangelists. Nor was such a course necessary. The language of the Gospels is so simple and clear, that details are better read from Holy Writ itself. That this volume may lead the young to a reverent study of our Saviour's character, and an earnest endeavour to "follow the blessed steps of His most Holy Life," is the earnest prayer of the Author.
