How to Play Djembe: West African Rhythms for Beginners Alan Dworsky

This book is a complete, step-by-step course for beginners on how to play djembe. Right from the start you'll be learning interlocking parts for some of the most popular West African rhythms: Kuku, Djole, Kassa, Madan, Suku, Sunguru Bani, and Tiriba. While you learn the patterns, you'll also learn how to make each of the basic strokes--bass, tone, and slap--with proper playing technique. We use life-like illustrations to show how each stroke looks from the outside and give detailed descriptions to explain how each stroke feels from the inside. The book also has easy-to-read box charts and a friendly writing style that creates the feel of private lessons. Please note: audio files of the CD that comes with the print version of this book are not included in this ebook version (but are available separately).

From reader reviews:

Enrique McLean:

As people who live in the actual modest era should be upgrade about what going on or information even knowledge to make these individuals keep up with the era which is always change and move ahead. Some of you maybe will update themselves by looking at books. It is a good choice in your case but the problems coming to a person is you don't know what one you should start with. This How to Play Djembe: West African Rhythms for Beginners is our recommendation so you keep up with the world. Why, because this book serves what you want and wish in this era.

Linda Monge:

Exactly why? Because this How to Play Djembe: West African Rhythms for Beginners is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret the item inside. Reading this book beside it was fantastic author who else write the book in such remarkable way makes the content on the inside easier to understand, entertaining means but still convey the meaning entirely. So , it is good for you because of not hesitating having this nowadays or you going to regret it. This amazing book will give you a lot of rewards than the other book have got such as help improving your talent and your critical thinking technique. So , still want to hold up having that book? If I ended up you I will go to the reserve store hurriedly.

Gary Stark:

Is it you who having spare time in that case spend it whole day by simply watching television programs or just laying on the bed? Do you need something new? This How to Play Djembe: West African Rhythms for Beginners can be the answer, oh how comes? A fresh book you know. You are so out of date, spending your spare time by reading in this new era is common not a nerd activity. So what these ebooks have than the others?

Beulah Chavez:

Do you like reading a guide? Confuse to looking for your chosen book? Or your book has been rare? Why so many concern for the book? But any kind of people feel that they enjoy to get reading. Some people likes examining, not only science book and also novel and How to Play Djembe: West African Rhythms for Beginners or even others sources were given expertise for you. After you know how the fantastic a book, you feel need to read more and more. Science reserve was created for teacher or perhaps students especially. Those ebooks are helping them to increase their knowledge. In different case, beside science e-book, any other book likes How to Play Djembe: West African Rhythms for Beginners to make your spare time much more colorful. Many types of book like this one.
