Elaine Wood, Pam Walker

50 Terrific Science Experiments (The 100+ Series(TM)) Elaine Wood, Pam Walker

This book presents exciting lab activities designed to help middle school students better understand the concepts included in the science disciplines of physical, earth, and life science. All labs rely on easy-to-locate and inexpensive materials. Students will find the lab directions clear and simple to follow, giving them the freedom to work independently with only a minimum of teacher supervision. Students will investigate and internalize many important science concepts through the successful completion of these fun-to-do science labs.
