Demons Wayne Macauley

***Demons* is an extraordinary social satire whose ending will leave you reeling.**

It is the middle of winter. Seven friends travel to a remote coastal beach house for the weekend.

Without phones, internet or television, they sit around the fireplace, telling stories, each exposing the foibles of humankind.

But as a storm rolls in and torrential rain cuts the party off from the outside world, it soon becomes clear that some secrets are best kept hidden.

Demons is an extraordinary novel by one of Australia's great writers.

Wayne Macauley is the author of three highly acclaimed novels: *Blueprints for a Barbed-Wire Canoe*, *Caravan Story* and, most recently, *The Cook*, which was shortlisted for the Western Australian Premier's Book Award, a Victorian Premier's Literary Award and the Melbourne Prize Best Writing Award. He lives in Melbourne.

'Macauley has ingeniously refurbished an old tale to capture the perplexing vacuity of a generation...a fierce and uncomfortable novel about contemporary Australian life that drives us to ask why we are who we are, as it simultaneously makes us wish we were better.' *Weekend Australian*

'Absorbing.' *Saturday Paper*

'Brilliant, thought-provoking.' *Otago Daily Times*

'Absorbing, thought-provoking and altogether quite brilliant.' *BookMooch*

'The novel [has] the potential to resonate with Australians in the same way as Christos Tsiolkas's *The Slap*, only it's darker and more complex.' *Herald Sun/Courier Mail*

'*Demons* is a compelling, can't-put-it-down book. Not because of any thrilling action, but because of its ordinary, troubled characters, their ordinary everyday struggles and the stories they tell. In a way the novel is like a collection of short stories, although every one of them leads us to understand more about the teller and the listeners as they start to hit uncomfortably close to home. Each story and how it is told offers fascinating insight into human nature in a humorous, yet sharp critique of contemporary society and its many flaws.' *Surf Coast Times*

'The pace is headlong; the disintegration relentless. Startling, discomfiting, and not likely to be underrated.' *Auckland Herald*

From reader reviews:

Matthew Waddell:

What do you ponder on book? It is just for students because they are still students or that for all people in the world, what best subject for that? Just simply you can be answered for that question above. Every person has various personality and hobby per other. Don't to be pushed someone or something that they don't wish do that. You must know how great in addition to important the book Demons. All type of book could you see on many methods. You can look for the internet solutions or other social media.

Cynthia Johnson:

This book untitled Demons to be one of several books that best seller in this year, this is because when you read this publication you can get a lot of benefit onto it. You will easily to buy this book in the book retailer or you can order it through online. The publisher of the book sells the e-book too. It makes you easier to read this book, because you can read this book in your Smartphone. So there is no reason for your requirements to past this reserve from your list.

Charles Shin:

Playing with family within a park, coming to see the water world or hanging out with close friends is thing that usually you may have done when you have spare time, subsequently why you don't try thing that really opposite from that. Just one activity that make you not sensation tired but still relaxing, trilling like on roller coaster you already been ride on and with addition details. Even you love Demons, you could enjoy both. It is fine combination right, you still want to miss it? What kind of hang-out type is it? Oh seriously its mind hangout folks. What? Still don't obtain it, oh come on its called reading friends.

James Hibner:

Do you really one of the book lovers? If so, do you ever feeling doubt if you find yourself in the book store? Aim to pick one book that you find out the inside because don't ascertain book by its handle may doesn't work is difficult job because you are frightened that the inside maybe not while fantastic as in the outside appearance likes. Maybe you answer is usually Demons why because the great cover that make you consider about the content will not disappoint you. The inside or content is definitely fantastic as the outside or even cover. Your reading 6th sense will directly guide you to pick up this book.
