Leading Like a Libertarian: Running an organization based on the principles of liberty Patrick Dixon
Pat Dixon uses his ten years of service as chair of the Libertarian Party of Texas, leadership of non-profit organizations, service as a city council member, and professional engineering and management experience to explain how the principles of Libertarianism can be applied to leadership. Pat shows how an environment that empowers individuals and minimizes bureaucracy produces the best results. Some of the content is specific to political organizations or the Libertarian Party, but the lessons in leadership can be applied to any organization.
