Orgasmology (Next Wave: New Directions in Women's Studies) Annamarie Jagose

For all its vaunted attention to sexuality, queer theory has had relatively little to say about sex, the material and psychic practices through which erotic gratification is sought. In *Orgasmology*, Annamarie Jagose takes orgasm as her queer scholarly object. From simultaneous to fake orgasms, from medical imaging to pornographic visualization, from impersonal sexual publics to domestic erotic intimacies, Jagose traces the career of orgasm across the twentieth century.

Along the way, she examines marriage manuals of the 1920s and 1930s, designed to teach heterosexual couples how to achieve simultaneous orgasms; provides a queer reading of behavioral modification practices of the 1960s and 1970s, aimed at transforming gay men into heterosexuals; and demonstrates how representations of orgasm have shaped ideas about sexuality and sexual identity.

A confident and often counterintuitive engagement with feminist and queer traditions of critical thought, *Orgasmology* affords fresh perspectives on not just sex, sexual orientation, and histories of sexuality, but also agency, ethics, intimacy, modernity, selfhood, and sociality. As modern subjects, we presume we already know everything there is to know about orgasm. This elegantly argued book suggests that orgasm still has plenty to teach us.

From reader reviews:

James Rodriguez:

Information is provisions for people to get better life, information currently can get by anyone in everywhere. The information can be a knowledge or any news even restricted. What people must be consider while those information which is within the former life are hard to be find than now's taking seriously which one is suitable to believe or which one the resource are convinced. If you have the unstable resource then you have it as your main information you will have huge disadvantage for you. All of those possibilities will not happen in you if you take Orgasmology (Next Wave: New Directions in Women's Studies) as the daily resource information.

Mary Infante:

Playing with family within a park, coming to see the marine world or hanging out with friends is thing that usually you will have done when you have spare time, then why you don't try issue that really opposite from that. One particular activity that make you not sense tired but still relaxing, trilling like on roller coaster you already been ride on and with addition of knowledge. Even you love Orgasmology (Next Wave: New Directions in Women's Studies), it is possible to enjoy both. It is very good combination right, you still need to miss it? What kind of hangout type is it? Oh can happen its mind hangout men. What? Still don't buy it, oh come on its named reading friends.

Roy Taylor:

The book untitled Orgasmology (Next Wave: New Directions in Women's Studies) contain a lot of information on it. The writer explains her idea with easy means. The language is very straightforward all the people, so do not worry, you can easy to read it. The book was authored by famous author. The author gives you in the new period of literary works. It is possible to read this book because you can read on your smart phone, or gadget, so you can read the book in anywhere and anytime. In a situation you wish to purchase the e-book, you can open their official web-site in addition to order it. Have a nice examine.

James Weil:

As a university student exactly feel bored to be able to reading. If their teacher questioned them to go to the library as well as to make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading really. Any students feel that examining is not important, boring and can't see colorful images on there. Yeah, it is to get complicated. Book is very important for yourself. As we know that on this age, many ways to get whatever we want. Likewise word says, many ways to reach Chinese's country. Therefore , this Orgasmology (Next Wave: New Directions in Women's Studies) can make you truly feel more interested to read.
