Historia sociolingüística de México. Volumen 3. Espacio, contacto y discurso político (Spanish Edition)

Rebeca Barriga Villanueva, Pedro Martín Butragueño

La riqueza y la complejidad lingüística que se dan en el vasto territorio mexicano son de suyo una incitante invitación al análisis y a la historia. Tal es el objetivo final de esta "Historia sociolingüística de México": narrar desde varias perspectivas la historia de las lenguas y, en especial, la historia de los hablantes en México a lo largo de los siglos, tanto en términos de consenso como de conflicto. Múltiples miradas convergen en esta "Historia" en torno a los diversos procesos, que han imbricado lenguas y hablantes en el paradójico México pluriétnico. Este volumen 3 atraviesa el siglo XX y se estaciona en el XXI, acercándonos a una realidad cambiante que se vive en las últimas décadas y en los nuevos territorios surgidos de la movilidad incesante.
