Measure of Danger Jay Klages

Kade Sims was a successful army intelligence officer until his hypomania disorder and impulsive behavior resulted in his discharge. Forced to adapt to a sedate civilian existence, he'd all but given up on a life of service. That is, until opportunity—and an FBI agent—knocks on his door.

The FBI believes Kade's unique talents make him their best candidate to infiltrate AgriteX, an agricultural biotech company suspected of involvement in organized crime. Kade jumps at the chance to redeem himself and serve his country again. But he soon learns that AgriteX is invested in far more threatening pursuits—the company is secretly funding The Chapter, a high-tech militia plotting a savage attack on the United States.

Can Kade stop The Chapter before it's too late? And now that he's on the inside, will he ever escape their shadowy network?
