Oh, No... Jackie-O!

January Jones

Oh, No... Jackie-O! January Jones

This non-fiction work about the Kennedy assassination refutes all the popular theories on the assassination and makes a convincing case for whom the real perpetrators might have been. It is both shocking and, at the same time, believable. The author implicates Jacqueline Kennedy and Aristotle Onassis. They were two people who had the means, the motive, and the alibi to commit the perfect murder of all time.
