The Whole Town's Talking: A Novel Fannie Flagg

From the beloved author of *Fried Green Tomatoes at the Whistle Stop Cafe* comes another unforgettable, laugh-out-loud, and moving novel about what it means to be truly alive.

Elmwood Springs, Missouri, is a small town like any other, but something strange is happening out at the cemetery. "Still Meadows," as it's called, is anything but still. Funny and profound, this novel in the tradition of Flagg's *Can't Wait to Get to Heaven* and Thornton Wilder's *Our Town* deals with universal themes of heaven and earth and everything in between, as Flagg tells a surprising story of life, afterlife, and the mysterious goings-on of ordinary people.
