After her mother mysteriously disappears, sixteen-year-old Haley convinces her father to take her to Iceland, where her mother was last seen. When Haley picks up a silver coin that entangles her in a spell cast by her ancestor Hallgerd, she discovers that Hallgerd's spell and her mother's disappearance are connected to a chain of events that could unleash terrifying powers and consume the world. Haley must find a way to contain the growing fires of the spell—and her growing attraction to Ari.
