## **A Country for Children** Gabriel Garcia Marquez

This exceptionally beautiful essay by the Colombian Nobel Prize-winning author is one of his most lucid and beautiful literary expressions. Originally written as a prologue to a "state of the nation" analysis recently published by a group of eminent Colombian thinkers, it drafts a virtual navigation chart for the future of Colombia, affirming the country's vast human potential and emphasizing the powers of education and national spirit. Four-color photographs enliven this work.

This publication offer you information that might be your friend doesn't understand, by knowing more than some other make you to be great people. So , why hesitate? Let us have A Country for Children.

#### **John Dinwiddie:**

As a student exactly feel bored to be able to reading. If their teacher asked them to go to the library or make summary for some guide, they are complained. Just tiny students that has reading's internal or real their pastime. They just do what the instructor want, like asked to go to the library. They go to generally there but nothing reading very seriously. Any students feel that examining is not important, boring as well as can't see colorful photos on there. Yeah, it is to get complicated. Book is very important in your case. As we know that on this period of time, many ways to get whatever we want. Likewise word says, ways to reach Chinese's country. Therefore , this A Country for Children can make you experience more interested to read.
