A los pies del maestro J. Krishnamurti

A los pies del maestro es un libro que por derecho propio ha encontrado un lugar dentro de la literatura espiritual de nuestro tiempo, convirtiéndose ya en un clásico contemporáneo. Obviando un hecho tan poco común como el de que el autor tuviera 15 años cuando lo escribió, lo cierto es que su contenido conquista al lector impidiéndole mostrarse indiferente ante la claridad y lucidez en la exposición de conceptos que nos hablan de lo más profundo del ser humano.

As a scholar exactly feel bored to reading. If their teacher questioned them to go to the library or even make summary for some book, they are complained. Just small students that has reading's internal or real their passion. They just do what the trainer want, like asked to go to the library. They go to at this time there but nothing reading critically. Any students feel that examining is not important, boring along with can't see colorful photos on there. Yeah, it is to become complicated. Book is very important to suit your needs. As we know that on this period of time, many ways to get whatever we would like. Likewise word says, many ways to reach Chinese's country. Therefore , this A los pies del maestro can make you truly feel more interested to read.
