- "Anni '80

Le mode musicali, i movimenti giovanili e i cambiamenti sociali di quella strana decade"

Un viaggio emozionante e molto divertente (ma anche commovente e malinconico, a volte) attraverso tutto ciò che gli '80 furono in Italia e nel mondo come conseguenza della fine del tanto osannato decennio precedente: il grosso rivolgimento socio-culturale che avvenne nel decennio compreso tra il periodo del Punk e la caduta del Muro di Berlino, una decade seconda solo ai favolosi anni '60 per importanza e rilevanza. Gli anni '80 richiamano ancora oggi alla mente allegria, innovazioni, mode variopinte e una modernità che non si era vista mai prima, ma fecero anche da incubatrice per tutto ciò che prendiamo come scontato nel ventunesimo secolo. Partendo dalle origini storiche della "coscienza giovanile" e dai suoi primi vagiti, l'autore esamina poi le mode musicali che la fecero da padrone in quel decennio, tanto che venne appunto chiamato "il decennio delle tribù metropolitane", tra New Wave, Rockabilly, Punk, Dark, Cinesi, Paninari e Metallari, ognuna coi propri idoli, santini e feticci. "Anni 80" è un affresco vivido, appassionato, le cui tinte rapiscono il lettore e lo proiettano all'interno di un'epoca complicata, difficile e pericolosa, nella quale per un giovane era facile smarrirsi, ma anche vivida, bruciante, stimolante e contraddittoria. Con prefazione di Marco Dell'Era, e playlist musicale.
