Choisir la charité (Petits traités spirituels) (French Edition)

Nathalie Pouchol

Choisir la charité (Petits traités spirituels) (French Edition) Nathalie Pouchol

Fondés sur la Parole de Dieu, à la fois méditatifs et exhortatifs, accompagnés chacun d'une suggestion pratique, ces enseignements n'ont d'autre but que de nous aider concrètement à choisir la Charité, chaque jour !

Ce petit traité spirituel présente la vertu de Charité sous une forme accessible à tous : vingt chroniques d'abord diffusées sur Radio Espérance sont restituées en de courts chapitres, développant chacun un aspect de cette vertu. Le style oral est volontairement conservé afin de transmettre le dynamisme originel.

Choisir la Charité clôt la trilogie sur les trois vertus théologales commencée avec Conversation sur la Foi de Nicole Echivard et poursuivie par L'Espérance au quotidien de Pierre Marie Montherrat.

Nathalie Pouchol fait partie du Foyer Marie Jean, une communauté de frères et soeurs consacrés, de type contemplatif. Cette "association publique de fidèles" accueille en hospitalité. Elle propose des retraites spirituelles et des sessions de philosophie et d'écologie

Nihil Obstat : Père Bruno Bataillon

Imprimatur : Cardinal Philippe Barbarin, Archevêque de Lyon, 15 octobre 2013

From reader reviews:

Milton Jones:

In this 21st one hundred year, people become competitive in each way. By being competitive today, people have to do something to make themselves survive, being in the middle of the crowded place and notice through their surroundings. One thing that oftentimes many people have underestimated this for a while is reading. Yep, by reading an e-book your ability to survive rises then having a chance to stay than others is high. For yourself who want to start reading some sort of book, we give you this specific Choisir la charité (Petits traités spirituels) (French Edition) book as a beginner and daily reading book. Why, because this book is usually more than just a book.

Edwin Bernal:

As people who live in the particular modest era should be revised about what is going on or have even more knowledge to make these people keep up with the era that is certainly always changing and moving forward. Some of you maybe will probably update themselves by reading books. It is a good choice for you personally but the problems coming to you is you don't know which one you should start with. This Choisir la charité (Petits traités spirituels) (French Edition) is our recommendation to make you keep up with the world. Why, because the book serves what you want and want in this era.

Virgil Santamaria:

This Choisir la charité (Petits traités spirituels) (French Edition) is a great publication for you because the content that is certainly full of information for you who else always deal with the world and also have to make a decision every minute. This particular book reveals its info accurately using great coordinated words or we can point out no rambling sentences inside. So if you are reading the item hurriedly you can have the whole facts in it. Doesn't mean it only provides straight forward sentences but difficult core information with beautiful delivering sentences. Having Choisir la charité (Petits traités spirituels) (French Edition) in your hand like getting the world in your arm, info in it is not ridiculous at all. We can say that no publication that offers you the world inside ten or fifteen moments right but this book already does that. So, it is a good reading book. Hey Mr. and Mrs. busy do you still doubt in which?

John Hicks:

Is it anyone who has spare time after that spends it whole day by means of watching television programs or just lying down on the bed? Do you need something totally new? This Choisir la charité (Petits traités spirituels) (French Edition) can be the reply, oh how comes? It's a book you know. You are therefore out of date, spending your extra time by reading in this new era is common not a nerd activity. So what do these books have that the others don't?
