Marley has been waiting all day to play with Cassie, but when she gets home there's still work to be done! Cassie is making a model of the solar system for school, using fruit to represent each of the planets. When all the work is done, Daddy hangs the model in the dining room for all to see . . . including Marley. Marley doesn't like homework, but he sure does like a snack, and before he can stop himself, the solar system has disappeared into the black hole of Marley's stomach. Cassie wakes up before school to find herself without her assignment, and in need of a quick fix. Can Marley somehow make up for his cosmic mistake and help Cassie get her project in on time?

This Marley beginning reader is filled with out of this world laughs, perfect for anyone who's ever suffered from a case of disappearing homework.
